ARE YOU ELIGIBLE TO PARTICIPATE?

This program is open to any Queensland resident aged 15 years or over, who is no longer at school and is an Australian or New Zealand citizen, or Australian permanent resident (including humanitarian entrants), or a temporary resident with the necessary visa and work permits on the pathway to permanent residency. Prospective certificate III level students must not have or be enrolled in a certificate IV or higher-level qualification, not including qualifications completed at school and foundations skills training.

DO I NEED TO CONTRIBUTE TO THE COST OF TRAINING?

Given the benefits that training provides to individuals, students undertaking Certificate 3 Guarantee training are required to contribute to the costs of their training through a co-contribution fee.

The amount of your out-of-pocket expense will vary depending on the course you undertake as provided about. There is a \$500 enrolment fee (where applicable) for each of the four Qualifications offered and the balance owing can be paid on a payment plan.

The contribution fee may be paid on your behalf by an employer or another third-party.
